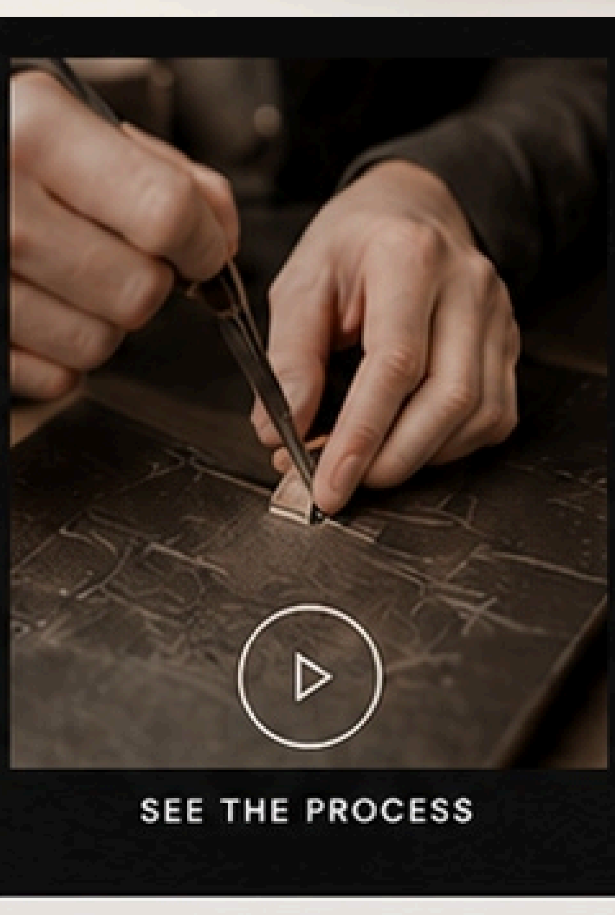
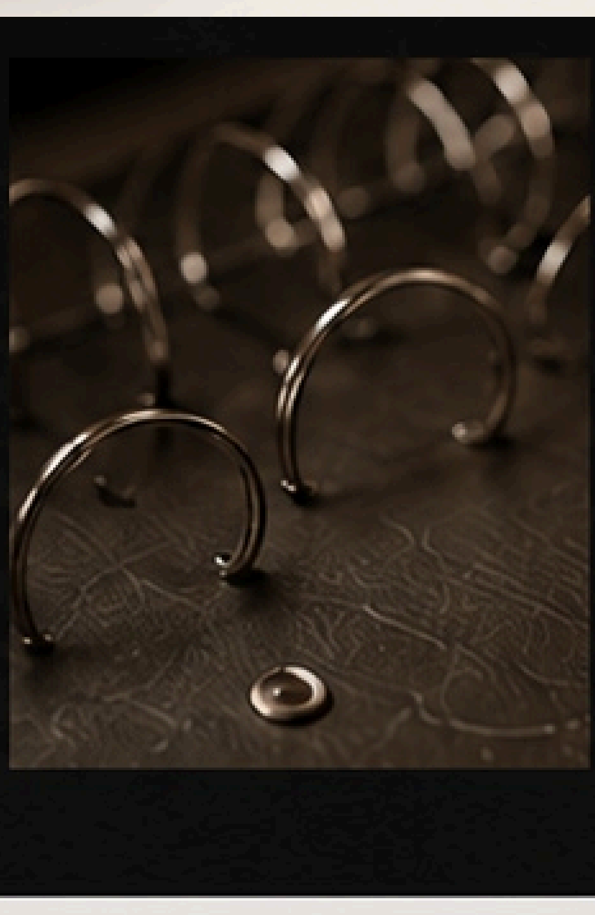
Crafted with care. Made to last.

At ORG, quality begins with our materials and continues in every step of the process. Our products are crafted in Germany by experienced specialists who take pride in their work and attention to detail.

DISCOVER OUR APPROACH →



SEE THE PROCESS



1948	1960s	1980s	Today
The ORG-Rat ring book system is created.	Innovation and quality set new standards.	A trusted companion for generations.	Still family-owned. Still made to last.

OUR STORY →

Refill, don't replace.

Our planners are made to be refilled, not replaced. Better for you, better for our planet.

LEARN MORE →

One planner.

=

Refill the pages.

+

Use for years.

· MADE TO LAST · DESIGNED TO BE REFICEBO

"I've carried the same planner for over seven years. It's part of my journey."

LUKAS F.
Architect

"Nothing helps me think more clearly than a blank page and my ORG."

MARIE L.
Freelance Designer

"Quality you can feel. And a system that actually makes sense."

JONAS W.
Entrepreneur
