

Org-Verlag

Marketing Plan

The company?

Org Verlag!

The Problem?

Customers are dying out!

The Task?

Reach a younger target group!

Brand Analysis

A German family-run manufacturer (1948) specializing in handmade leather ring-binder organizers.
Positioned as an analog and sustainable alternative to digital life.

New Strategy

- *Reclaim the narrative*
- *Reactivate digital presence*
- *Evolve the product, keep the soul*

The new target groups

Detox Professionals

Why is this target group relevant for ORG Verlag?

- Strong alignment with the brand's values
- Actively seek analogue alternatives
- Premium products are viewed as long-term investments
- Data privacy and independence from digital platforms are becoming increasingly important factors in purchasing decisions

- System encourages long-term customer retention and repeat purchases
- Strong purchasing power and is willing to pay premium prices for superior quality

Young creators

Why is this target group relevant for ORG Verlag?

- Combines organization with creativity and self-expression.
- Planner becomes part of their identity
- Sustainability, vegan materials, and customization strongly influence purchasing decisions.
- Premium paper quality and craftsmanship are essential for creative work.

- They generate significant organic reach through user-generated content.
- They are ideal for building a strong and engaged brand community

The improvements

Product Development

- Add Archival Ringsystem
- Elastic bands around the Ringbooks
- Add the option of embossing selected designs (premade)
- Chance to collaborate with local artists and designers
- Add more inlays and paper options for a bigger customer range

Collaborations - Artists

@bbbingss | 5757 Followers | 96.9K likes

- paints with oil on large-scale canvases
- takes inspiration from life, films, and stories
- simple and abstract style
- could be used for special edition ringbooks
- bookmark designs

@dinodauerkunst | 93.7K Followers | 2.7M likes

- Illustrator and content creator
- Simple and realistic style of painting
- Could design special wrapping paper
- Bookmarks, stickers, or special edition inlays
- Could create illustrations for a website or advertising campaigns

Social Media Strategy
